

## VMSKV-C 32

Products may differ in size, colour and appearance to those shown. If you require further information or customisation, please contact us directly.

|                          |                                  |
|--------------------------|----------------------------------|
| Material cable gland     | Brass lead-free chromium-plat.   |
| Material clamping cage   | Polyamide                        |
| Material sealing gasket  | EPDM                             |
| Temp. range min          | -40 °C                           |
| Temp. range max          | 100 °C                           |
| Protection class         | IP66 / IP68 (5 bar 30 min), IP69 |
| Thread type              | M                                |
| Ø Connection thread D    | 32                               |
| Lead                     | 1,5                              |
| Length screw-in thread L | 12 mm                            |
| Ø cable diameter min     | 12 mm                            |
| Ø cable diameter max     | 28 mm                            |
| Key width SW1            | 45 mm                            |
| Key width SW2            | 45 mm                            |
| Collar diameter E1       | 48 mm                            |
| Collar diameter E2       | 48 mm                            |
| Total length TL          | 44,5 mm - 56,5 mm                |
| Type of cable anchorage  | A                                |
| Install. torques fitting | 20 N m                           |
| Install. torques cap nut | 20 N m                           |
| Impact category          | 6                                |
| Surface                  | Chromium-plated                  |
| WISKA-Order no.          | 10114193                         |
| Type                     | VMSKV-C 32                       |
| Packing unit             | 5                                |
