

SP-SH/SKS-Series impedance for 575W

Impedance

Products may differ in size, colour and appearance to those shown. If you require further information or customisation, please contact us directly.

Type	SP-SH/SKS-Series impedance for 575W
WISKA-Order no.	22000110
Packing unit	1
Voltage	220 V
Type of Voltage	AC
Frequency	50 Hz
Wattage	575 W
Weight	5,91 kg
Tariff number	85045000

Remarks:

220V, 575W, 50Hz
for metal halide discharge lamp
for searchlight SH
and suez canal searchlight SKS 575
